New Business	<p>Resource/Information Sharing Presentations (10-15 min each)</p> <p>a. <u>CSU Mobile Health Unit</u> - Miranda Williams & Dr. Puthiery Va provided presentation on Mobile Health Unit (MHU). Highlighted points covered:</p> <ul style="list-style-type: none"> ○ Goal/Mission/Aim: Bring health care directly to the communities through active engagement & providing access to care ○ How do we do this? Target Population: basically everyone. A tier process is used and help with recognizing high risk patients. Focus on individuals recognized as high risk i.e. controlled diabetes, high blood pressure, heart disease, etc. Anyone out of care for more than a year. ○ Services provided are: wellness visits; blood pressure & weight checks; diabetes screening/education; medication review; immunizations; nutrition; chronic disease prevention & management (in brochure provided) ○ MHU team consists of provider or nurse practitioner and health technician with MHU ○ MHU will be in Low Mountain the 2nd & 4th Thursday of every month and in Forest Lake the 3rd Friday of every month. First visit to Forest Lake will be June 21st ○ Working with Community Health Representatives and would also like to work with community leadership ○ Offer lifestyle management ○ Expanding services in future. Currently going to include Whippoorwill community for near future. Tentatively 4th Thursday of the month. Also Round Rock and Rough Rock ○ Back in 2015 or 2016 – attending health council 	Members commend work.	Mobile Health Unit brochure & schedule shared.

	<p>meeting and there were things that people wanted to see i.e. bringing primary care to remote areas.</p> <ul style="list-style-type: none"> ○ In 2017 is when MHU arrived and staffing was complete. Many Farms was pilot community. <p>QUESTIONS:</p> <ul style="list-style-type: none"> • Do you have issues with low turnout with Low Mountain? There have been issues with low turnout. But learned to identify high risk patients ahead of time. Also built relationship with Community Health Representatives. Patients have come to ask about non-emergency medical transport and since it is a clinic it is covered. • Do you have access to other service unit health records or sharing of medical information to other health care centers? MHU is only able to see medical records within the Chinle Service Unit (Chinle, Pinon, Tsaile). MHU is a participant of the Arizona Health Information Exchange. Currently can see records from other hospitals but not from Chinle EHR. Health Information Exchange uses different platform and only from health centers that are also participating in the Health Information Exchange. Tuba City is a 638 facility, MHU does not have access to any 638 facility. <p>b. <u>2019 Dzil Yijjin Health Summit</u></p> <ul style="list-style-type: none"> a. See draft agenda below <p>c. <u>Strategic Objectives to Address Areas of Concern(s)</u></p> <ul style="list-style-type: none"> a. No items of discussion <p>d. <u>Navajo County</u> – Alberto Peshlakai</p> <ul style="list-style-type: none"> a. In 2018 Proposition 419 was on the ballot– there were 17,000 votes but failed by 160 votes. Because it failed the board of supervisors in March and the new Sherriff that was appointed recommended to the board to reintroduce the proposition to the people again. That’s how Proposition 421 came about. b. Proposition 421 is creating a JAIL DISTRICT sales tax (1/3 of a cent) in Navajo County. 1/3 of a cent increase on sales tax. This sales tax will not going to be tax imposed on the Navajo Reservation, only off reservation communities. c. Navajo County will be losing \$2.5 million dollars 	<p>Recommendation with working with leaders of the chapters. Representation of all chapters is key. Recommendations are: 1) contact Gilene Begay with CHR to make contact with all communities to make sure the services are utilized especially with high risk patients, 2) attend the Dzil Yijjin Regional Council meeting is where all chapter officials attend.</p> <p>Invited to July 18 Dzil Yijjin Health Summit</p> <p>On August 27 during the election Proposition 421 will be the only item on ballot.</p>	<p>Request for MHU report for Dr. Jill Jim and also for Gloria Johns. Report to include services provided and data (high risk population & how the lack of resources and conditions of resource impact patient’s health).</p> <p>Send flyer and invitation to Miranda and Dr. Va</p>	<p>Miranda Williams Dr. Va</p> <p>Tina will send flyer when flyer is completed</p>

	<p>once Peabody mine close as well as NGS. Navajo County normally receives \$1.6 from Peabody from sales tax revenue which is given to the county and also closure of Cholla Power Plant in Joseph City in 2025. So the combined revenue in taxes equals \$2.5 million. In order to help elevated or replenish the funds the board of supervisors are creating the JAIL DISTRICT TAX. Will be for 20 years and the projected revenue from this district sales tax will be \$4 million which will go strictly to the law enforcement/sheriff's department.</p> <p>d. Some of the projects with the current (\$1.6 million) funding that Navajo County assists with in District I & II are: roads and transportation projects, drainage studies for chapter communities, support Kayenta public library, Hopi mobile libraries, support to Kayenta justice courts, sheriff's office provides Arizona State certification training to Navajo Nation police officers and also Hopi Rangers. Also provide \$2,000 annually to senior centers for supporting their programs of their choice. Also support public school districts such as Kayenta Unified, Pinon Unified, Winslow, Holbrook and some off reservation public school districts.</p> <p>e. Here today to educate the public on the proposition.</p> <p>e. <u>Navajo Hopi Land Commission (NHLC)</u> – Gloria Johns</p> <p>a. Saturday (June 8) meeting starting at 9am</p> <p>b. Agenda for Saturday meeting: currently concentrating on Hard Rock, Forest Lake, Pinon, Black Mesa & Whippoorwill. Lining up chapter officials and community members to address the Navajo Hopi Land Commission. Overview of the relocation will be addressed by Tim Johnson for voices of the people who still currently live on Hopi partitioned land. Percy Deal will be addressing policies and water. Matilda Howard will be addressing relocation housing. The group from Hard Rock will be concentrating on roads (8031, 8027, 8029 & turquoise road).
